Chairman

The Honorable Ben Cardin  
Ranking Member  
Committee on Small Business and Entrepreneurship  
United States Senate  
Washington, DC 20510

Dear Chairman Rubio and Ranking Member Cardin:

The National Small Business Association (NSBA), the nation's first nonpartisan small-business advocacy organization, supports the nomination of Mr. David C. Tryon to fill the Chief Counsel of the U.S. Small Business Administration (SBA) Office of Advocacy position, and recommends the Committee on Small Business and Entrepreneurship and the full Senate promptly move to approve Mr. Tryon, as he will serve as a strong advocate for small businesses.

NSBA has long been a supporter of the Office of Advocacy, an established beacon of fairness for America's small-business community, and it is critical that this office is fully staffed with a strong and capable leader at its helm. The Chief Counsel for Advocacy plays an invaluable role in guiding Advocacy's operations, which includes providing consistent reliable information about the status and role of small business in the U.S. economy and advocating for small businesses within the federal government's agencies and rulemaking processes.

Therefore, it is in the best interest of America's small businesses to have a strong SBA Office of Advocacy and this can only be achieved with a Senate-confirmed agency head. Mr. Tryon has impressed us with his understanding of the needs and unique burdens facing smaller businesses. We also believe he is committed to a strong and independent role for the Chief Counsel in addressing those needs and burdens, within the Administration. Accordingly, should he be confirmed by the Senate, NSBA looks forward to working with Mr. Tryon to advocate for the long-term advancement of small businesses nation-wide.

On behalf of NSBA and our more than 65,000 small-business members, I urge your timely advancement of Mr. Tryon for Chief Counsel of the Office of Advocacy. We look forward to working in concert with you and your staff, and hope that Mr. Tryon's nomination will meet prompt approval by the full Senate.

Sincerely,
